THE FOOD APP

### **Food at Your Fingertips**

With the free **SOURCE the FOOD APP**, Denverites have real-time access to resources that will help us make healthier food choices. Using the app, one can search for a specific product, farm, retail location and more, making purchasing organic, locally sourced food easier. Anything and everything you want to know about the food you're eating is at your fingertips. For more, visit [sourcethefoodapp.com](http://sourcethefoodapp.com).
